Dear Ms. Patterson:

Thank you for the kind letter you sent dated May 28. I thoroughly enjoyed meeting you and other board members in March and was hopeful that General Convention would be held as expected. However, it is understandable and wise for Bishop Curry and President Jennings to have asked that plans be changed.

Creating a donation area on your website is so appreciated. Doing that is incredibly thoughtful and all of us here and those we serve are grateful.

Thank you also for the wonderful blankets! I will keep an eye out for the shirts. We will undoubtedly distribute them throughout the summer to our guests.

Finally, please thank your board members for finding Paul's Place and for being interested in learning about our mission in and for Baltimore.

I certainly do hope our paths continue to cross.

Best,

Meghan S. Culbertson
Director of Development and Communication
