

National Episcopal Church Women Donations

Contributions from provinces, dioceses, parishes/congregations, and individuals provide ongoing support to the ECW National Board so that it can continue its ministry. Even the smallest contributions add up to make a world of difference.

Please use this form to indicate who the gift is from, where the contribution should be used, and the amount designated for each program area (if more than one), and any honorarium or memorial designation. In lieu of this form, you may substitute a handwritten note.
