Ever wondered how to be effective with prison chaplains, prisoners, and children of prisoners? There are multiple opportunities that take little time but a commitment pays dividends! Programs both inside and outside prison walls exist and need YOU to be a volunteer!

This three part presentation with a Q&A will give you inspiration to be THE ONE PACE! The One Person who can change a persons Adverse Childhood Experience into an A-HA moment!

From Kairos, a program designed like Cursillo, which is made for prisoners, to New Hope, a children's Camp and After School program (featured on Good Morning, America!) to Girl Scouts, teaching, sending note cards, and helping with Transitional Housing (like Magdalene Houses) there are so many ways to become a beacon of hope for those with little or no hope!

"I was naked and you clothed me, I was sick and you visited me,

I was in prison and you came to me." Matt: 25:36

Linda is a retired Deacon in the Diocese of Oklahoma. She was a Program Leader for two prisons, one male and one female, once a week for Episcopal Services, for almost 20 years. She currently volunteers by teaching classes on Sexual Abuse Recovery, Anger Management, and several other programs for early release.

Linda is currently writing a book "The Social Implications of Incarceration". She began speaking on this topic at Rotary and Church meetings three years ago. Zoom presentations or traveling upon request.
